

Kenai Ridge Kennels Interest Questionnaire

Before you start the process of getting on our waiting list, there are a few things you should know. I can not give you an accurate wait time. I am currently telling people the wait is anywhere from 6 to 24 months. This can vary depending on mother nature and your preferences. Some people are more picky than others and they may have a longer wait. If we think an AKK would be a good fit for you, I will let you know that we are adding you to our email notification list. Everybody undergoes the same consideration when placing a new puppy.

Thank you for your interest in obtaining a puppy from Kenai Ridge Kennels. Please complete the following questions and return this form to me, so I can better determine if the Alaskan Klee Kai would be a wonderful addition to your home. I want to make sure my puppies are placed with families that will make them happy as well as the families being happy with the puppy.

This questionnaire will become a legal part of the Sale Contract in the event you decide to obtain a puppy from Kenai Ridge Kennels.
